SFG600TL 	dough sheeter Isselbaecher SFG600TL Dimensions : 3415 x 1055 x 1270 mm Anschlusswert: 0,75 kW - 220/1/50 floor model, adjustable speed belt width: 600 mm wide cylinder opening 48 mm with cutting attachment for croissants execution : grey powder coating

STM 5303

dough sheeter
Isselbaecher
STM 5303

Dimensions : 1560 x 1040 x 580 mm
connection : 0,75 kW - 400/3/50

- table mount type
- opening of roller : 0,3 - 30 mm
- length of roller : 500 mm
- width of conveyor belt : 475 mm
- table width : 487 mm
- length when not in use : 1040x815 mm
- speed of discharge conveyor : 50 cm/sec.

description :

- motor driven conveyor belt for entry and discharge
- easy to read graduation and final thickness blockage for even dough thickness
- Rondo-scraper, can be removed within a few moments for cleaning
- easy to clean cotton wool conveyors
