griddle plate

AEG 200

roasting grill
Isselbaecher
AEG 200

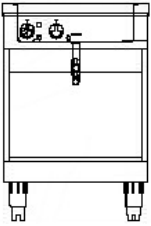

Dimensions : 400 x 706 x 850 mm
connection : 4,0 kW - 400/3/50

1 grid 305 x 390 mm
with 1 heating zone
1 basin for catching grease
can be filled with water, drainage by
ball valve

substructure: open cabinet

execution : stainless steel

AEG 400

roasting grill
Isselbaecher
AEG 400

Dimensions : 600 x 706 x 850 mm
connection : 6,0 kW - 400/3/50

1 grid 455 x 390 mm
with 2 heating zones (1/3+2/3)
1 basin for catching grease
can be filled with water, drainage by
ball valve

substructure: open cabinet

execution : stainless steel
